Student Assistance Program Parent Permission Letter

Dear Parent:

Your child has been referred to the Student Assistance Program (SAP). This voluntary program is available to offer supportive services to students experiencing academic, behavioral, and/or emotional difficulties that may pose barriers to school success. Students can be referred to the SAP by parents/guardians, school personnel, peers or self-referrals. The SAP team is comprised of specially trained teachers, administrators, school counselors and a mental health and/or drug & alcohol consultant(s). Our goal is to work with you and to offer support and recommendations for your son/daughter. Where barriers are beyond the scope of the school, the team can provide information so families may access community resources.

You are a vital part of the team and the SAP team values the importance of parent/guardian involvement in this process. A team member is ready to talk with you about the referral and obtain information about your child. With your permission, our Student Assistance Team will initiate the SAP process which includes meeting with your son/daughter.

Please note that a behavioral health assessment may be conducted as part of the evaluation procedure of the SAP process. A SAP team member will call you if this is deemed to be beneficial for your son/daughter.

Please complete the bottom portion of this letter and submit it by clicking the SUBMIT button below. If you have any questions about the Student Assistance Program, please call Dr. Molly Flood, SAP team member, at 610-769-1165 ext. 1401. Thank you for being part of our team.
