

## CRAYOLA EXPERIENCE, EASTON, PA

Color, color everywhere ... The **Crayola Experience** (formerly known as the Crayola Factory) is still located at 30 Centre Square in Easton, but that's about the only thing that's the same. The renovated building offers a new layout, new activities and a nice, new cafe. Whether or not you've been there before, it's definitely worth a day trip!

### **If You Decide To Go:**

The Crayola Experience is designed for everyone to enjoy. All attractions are ADA compliant. If you have any other questions, feel free to contact the Color Crew at 610-515-8000.

If you have any old Crayola Factory tokens lying around, they will not work in the new machines. However, you can exchange them at the ticketing desk for new Crayola Experience tokens. These can be used to get markers, make your own crayons, and snag some model magic in a larger array of colors.

Visit the Crayola Experience web site [www.crayolaexperience.com](http://www.crayolaexperience.com) or call them at 610-515-8000 for information on hours, ticket prices (including group rates).
