

## Timeline for Parents

**Freshman Year:** Make sure your child's accommodations are listed on the IEP or 504 Plan, along with data showing how they benefit your child.

**Sophomore Year:** Start gathering needed documentation. Check to see if your child's diagnosis documentation is current and meets the requirements of the ACT application. If not, update it.

**Junior Year:** Begin application process in the fall. Check ACT testing dates and registration dates online at [actstudent.org](http://actstudent.org). The ACT can be taken beginning in the spring of the junior year. National tests are given six times a year. ACT tests can be taken more than once.

**Senior Year:** Take ACT test again in the fall, if needed.
