Helping Children Learn

“CLIU is a service agency committed to Helping Children Learn.”

Please Also Be Advised:

- **Statutory Fees:** If a separate statute authorizes an agency to charge a set amount for a certain type of record, the agency may charge no more than that statutory amount.
- **Inspection of Redacted Records:** If a requester wishes to inspect rather than receive a copy of a record and the record contains both public and non-public information, the agency shall redact the nonpublic information. An agency may not charge the requester for the redaction. However, the Agency may charge for the copies it must make of the redacted material in order for the requester to view the public record. The fee structure outlined above will apply. If, after inspecting the records, the requester chooses to obtain the copies, no additional fee may be charged.
- **Fee Limitations:** Except as otherwise provided by statute, the law states that **no other fees may be imposed** unless the agency necessarily incurs costs for complying with the request, and such fees must be reasonable. No fee may be imposed for an agency's review of a record to determine whether the record is a public record, legislative record, or financial record subject to access in accordance with this Act. No fee may be charged for searching for or retrieval of documents. An agency may not charge staff time or salary for complying with the RTK request.
- **Prepayment:** Prior to granting a request for access in accordance with the Act, an agency may require a requester to prepay an estimate of the fees authorized under this section if the fees required to fulfill the request are expected to exceed \$100.
