

Carbon Lehigh Transition Coordinating Council (CLTCC)

The Mission of CLTCC is to promote effective transition services for students with disabilities, their families, educators, and community service providers from school to adult community life. The meetings consist of presentations geared towards transition age students, networking time and resource sharing regarding transition. We are a group of parents, agencies, employers, educators from the Intermediate unit and our 14 school districts, Carbon and Lehigh vocational technical school and Higher Education in the area.
