ABLE (Achieving a Better Life Experience) ACT UPDATE

When: May 4, 2016, 10:00 a.m. — 1:00 p.m.

Where: The Arc of Lehigh and Northampton Counties, 2289 Avenue A, Bethlehem, PA

Presenter: Jashlinn Masland-Sarani, Policy and Development Director, The Arc of PA

By popular demand, Ashlinn Masland-Sarani is returning from The Arc of PA to discuss ABLE accounts and provide the latest information. Due to the nature of this topic, we have expanded the length to 3 hours, so please bring your thinking caps and a brown bag lunch.

Here are some questions to be addressed:

♦ Who is eligible/How do you qualify/What are the requirements?
♦ What are the differences in an ABLE account and a Special Needs Trust?
♦ Which is preferable, when, and why?
♦ Is it possible to have both?
♦ Will opening an ABLE account hurt social security or Medicaid services?
♦ How much money can be put into an ABLE account? Can there be more than one account?

Come with questions, leave with answers. We expect a large turnout, so early registration is highly recommended. Seating limited to 24. First preference to families over professionals for this event. Please RSVP to Ramona Neidig at rneidig@arcoflehighnorthampton.org or call 610-849-8076, ext. 25.
